Subject: Update on Petition to ATSDR on Hickman's Family Farms
Hickman's Family Farm Petition Decision Letter November 16 2017.pdf

Hi Kathy,

Good to connect today. As we discussed, ATSDR received a petition earlier this year from Don't Waste Arizona and Save Tonopah Oppose Poultry Plan (STOPP) to conduct a public health assessment of ammonia emissions from Hickman's Family Farms facilities in Tonopah and Arlington, Arizona. We also received a letter of support for the petition from the Arlington Elementary School Board.

ATSDR recently sent the attached letter to the petitioners. It explains our decision to collect air monitoring data and use that data to assess potential health risks. We would value the Arlington Elementary School Board's input in this process. To that end, I'd like to schedule a conference call with Superintendent Turner and any other Arlington School board members or staff. Here are a few times that look good for us. Please let me know if any work for y'all.

Potential conference call times

- Tuesday, 12/12: 10-11am pacific / 11am-12pm AZ
- Monday, 12/18: 10-11am pacific / 11am-12pm AZ
- Tuesday, 12/19: 10-11am pacific / 11am-12pm AZ

Thanks,

Ben
